Dr. Sourav Mridha (BDS)

(Working as a Dental Therapist at College of Medicine and Dentistry, Birmingham, UK)

Graduating from Kalka Dental College has been a truly enriching experience. The devoted faculty created a vibrant learning environment that nurtured both academic excellence and practical skills. The cutting-edge facilities provided us with the latest advancements in dentistry, ensuring our readiness for the professional world. The emphasis on practical training and exposure to clinical scenarios played a crucial role in refining our clinical expertise. The college's dedication to ethical practice and community outreach instilled in us a profound sense of social responsibility. In retrospect, my time at Kalka Dental College not only molded me into a proficient dental professional but also bestowed upon me cherished memories and a firm foundation in professional ethics. I am appreciative of the comprehensive education and positive atmosphere that characterized my years at this esteemed institution.

Dr. Pooja Chakraborty (BDS, M.Sc Forensic Odontology, pursuing PhD)

(Former Head of the Department of Forensic Science and Criminology, Anna Fathima Groups of Institution, Tamil Nadu. Presently working as Forensic Biology Expert and Crime Scene Investigator, Chandigarh Police)

My experience with Kalka Dental College has been priceless. I thank my teachers wholeheartedly for shaping my future and helping me achieve my career goals. When I joined Kalka Dental College, I was a novice in the field of dentistry but due to the persistent efforts from the teachers, today I stand confident with my skills and knowledge. This college has been my stepping stone towards making a bright career. Moreover, not only in academics terms but Kalka Dental College has also improved my extracurricular skills. This is a good college for anyone who joins it with a zeal to learn and succeed.

Dr. Reshma P Raju (BDS)

(Working as a Dental Therapist at College of Medicine and Dentistry, Birmingham, UK)

As an alumni of Kalka Dental College, my experience was truly transformative. The Faculty's unwavering commitment to academic excellence and hands-on learning shaped my skills and knowledge in dentistry. The facilities provided a dynamic learning environment, fostering collaboration among students. The Faculty at Kalka Dental College made the rigorous curriculum enjoyable. Professors were not just educators but mentors, offering guidance beyond the classroom. Clinical experiences were invaluable, preparing me for real-world challenges. The emphasis on ethics and patient care instilled a deep sense of responsibility.

Dr. Sangita Singh (MDS) (Presently working as Senior Resident, RIMS, Ranchi)

Post graduation from Kalka Dental College is an enriching experience pertaining to my academic and clinical growth. College has also given me the cultural platform that truly helped me to introspect my artistic side too. With a positive and Progressive mindset my faculty in Pediatric and Preventive Dentistry has provided conducive environment that not only shaped me into a better clinician but strong Academician too. I am grateful to my mentors and Institution for the zeal inculcated in me.

Dr. Kanak Kishore (BDS) (Working as a Non - Academic Junior Resident at AIIMS, Deoghar)

It was a wonderful journey with Kalka Dental College. As I belong to a non medico family, I don't have any idea about dentistry but thanks to my teachers who showed me a path. Currently I am non- academic JR at AIIMS, Deoghar. Thanks to all my teachers of Kalka Dental College.
